No. 7863.—Minutes of an ordinary meeting of the Kinta Sanitary Board held on Wednesday, the 22nd November, 1922.

PRESENT: Mr. A. J. Sturrock (*Chairman*), the Protector of Chinese, Perak (Mr. A. M. Goodman), the Chief Assistant District Officer, Kinta (Mr. N. K. Bain), the Health Officer, Kinta (Dr. E. H. Black), Mr. F. B. Sewell (Deputy Superintendent, Revenue Surveys, Kinta), Mr. H. J. Cooper, Mr. F. S. Physick, Datoh Abdul Wahab, J.P., Towkays Thong Lim Seng and Foo Wha Cheng and Dr. W. A. Rogers, J.P.

ABSENT: The District Officer, Kinta (Mr. E. A. Dickson), the Executive Engineer, Kinta (Mr. A. J. Slater), the Hon'ble Mr. A. N. Kenion, M.F.C., J.P., and Towkay Lee Ah Weng.

1. Arising out of the minutes of the last meeting, the Chairman explains, in connection with Towkay Foo Wha Cheng's question, that the refusal of the use of the Ipoh Club Padang on 16th October to two football league teams was due to the ground having been allotted on a prior application. He was authorized to say that in future, should more than one application for the ground be received for any particular day, priority would be granted by the Committee or House Member to the more important application.

With regard to the flags reported lost at the Ipoh Club, the Chairman states that one has since been recovered.

2. The minutes of the last ordinary meeting are taken as read and confirmed.

3. Matters laid on the table for the Board's information and approval:

- Returns: Revenue and expenditure, abattoirs, Public Works Department water consumption, Lamps, weights and measures and milk analyses under the Sale of Food and Drugs Enactment;
- Twenty-five plans as per register;
- Two hundred and forty-nine notices and eighty-one applications for prosecutions.

4. The return of births and deaths for October, 1922:

5. High price of mutton: The Chairman reads letters received from the Chairmen of the Larut and Lower Perak Sanitary Boards. Owing to other work the Chairman states he is unable to undertake anything involving any more of his time. The Board agree to leave the matter alone for the present.

6. Fees at the Abattoirs: The Chairman states that he has gone into the question of fees at the abattoirs with the Government Veterinary Surgeon and they are both agreed that the fees for slaughter at the abattoirs should not be raised. In connection with fees for special permits for animals slaughtered outside the abattoirs they submitted for the consideration of the Board the adoption of the following revised fees:

Bullock or buffalo... ..	\$3	per head
Pig	1.75	"
Sheep or goat	1.25	"

The Board resolve to adopt these fees on Mr. Cooper proposing, and Mr. Bain seconding, the motion.

7. Regular line of street: In connection with plans for new buildings Mr. Sewell asks that it be placed on record that the Building Department of the Board be notified to be specially careful in the matter of approved alignments and regular lines of streets being strictly adhered to. When in doubt the Survey Department, if appealed to, would always be ready to co-operate. He stated that a number of cases of rectification of boundaries had thrown unnecessary work on the Survey Department.

8. Flag Lost at Ipoh Club: Mr. Sewell proposes, and Mr. Bain seconds, that the missing flag be written off. The Board agree.

9. Rescission of the Resolution requiring reference to local members of the Board at Batu Gajah and Kampar before any prosecutions are initiated in such localities: The Chairman states his reasons for asking for the rescission of the resolution passed by the Board on 18th May, 1921. On being duly proposed by the Chairman, and seconded by Dr. Black, the Board agree to the rescission.

10. Perak War Memorial: The Chairman reads a letter from the Hon'ble Mr. Kenion, written on behalf of the Perak War Memorial Committee, asking for sanction to place a bronze tablet in the Town Hall, Ipoh, the exact location being left to such Committee. So far as it concerned them, the Board have no objection.

11. Storage of matches: The Chairman states that he has received replies from Singapore, Penang and Kuala Lumpur. The Chairman of the Kuala Lumpur Board has drafted amended by-laws which it is proposed to circulate and the matter brought up for discussion at the next meeting.

12. By-law 83: The Chairman reads a letter in which reasons are given for asking the Board to formally re-pass by-law 83 in a slightly amended form. On the Chairman's proposal, seconded by Mr. Sewell, the Board pass the following by-law to be numbered 83:

"No person shall use any place within the Sanitary Board area as stable for horses kept for hire, or as a cattle-shed, sheep or goatpen, pig-sty or poultry house used for trade purposes, unless he holds a licence in that behalf from the Board, which may grant or withhold such licences at its discretion; every such licence shall be renewable annually and shall state the locality and the number of horses, cattle, sheep, goats, pigs or poultry, as the case may be, that may be kept under it".

13. Application for Exemption from Assessment on Club-house of Ipoh Golf Club: A letter from Messrs. Maxwell and Kenion, on behalf of the Ipoh Golf Club, applying for exemption of the club-house from assessment, is read. The Board consider that no recommendation can be made.

14. Proposed site in Jalan Datoh, Ipoh, for a new Girls' School: Miss Kenyon's letter is submitted for consideration. The Board agree with the Chairman that the site selected is not suitable.

15. Ipoh Water Supply: The meeting is informed that a communication has been received to the effect that the budget is still under consideration and the Ipoh water supply scheme may have to come out. Mr. Cooper proposes, and Mr. Sewell seconds, the following resolution:

"This Board strongly urge the reconsideration of the scheme submitted by the Executive Engineer (Mr. A. J. Slater) for augmenting the Ipoh water supply and press that this matter be treated as of the utmost urgency for the welfare of the inhabitants of the township".

The resolution is carried.

16. Ipoh Town Hall conveniences: Dr. Black brings to notice the totally inadequate sanitary conveniences at the Ipoh Town Hall and points out that there is no lack of water in Ipoh at the source of supply. With an improved supply, which could be brought about by adopting Mr. Slater's scheme, it would be quite an easy matter to connect up the Town Hall lavatory arrangements with the Railway septic tank installation. Mr. Physick proposes, and Dr. Black seconds, the following resolution:

"Should there be no insuperable difficulties to contend with, this Board is of opinion that the Government should give immediate attention to the matter of the sanitary arrangements of the Ipoh Town Hall".

The resolution is carried.

17. Application for use of the "Lower Padang", Ipoh: The Chairman submits an application from the Hokkien Guild for permission to use the "Lower Padang" for a theatrical performance on 25th December. Mr. Goodman proposes, and Towkay Foo Wha Cheng seconds, that permission be granted for this occasion only, subject to the performance being restricted to such hours as the Chairman may decide. The Board agree.

18. Proposed shop-houses on Plan 13,447, Jalan Datoh, Ipoh: The Chairman lays on the table the letter of the Government Town Planner in which he states that in his view the area referred to should be declared a residential area and that no further shop-houses be permitted therein.

19. Application for free use of the Town Hall: The Chairman states that the Perak Branch of the Ex-Services Association of Malaya has asked that the use of the Town Hall on 11th November be free of rent. In this connection he considers it necessary for him to say that on that occasion the two German trench mortars in front of the Town Hall were removed. One of them has since been recovered but the other has not been found and the loss has been reported to Government. The Board decide that the subject of the remission or otherwise of the rent of the Town Hall be brought up for consideration at the next meeting.

20. Public Park, Ipoh: The Chairman refers to correspondence in a local newspaper agitating for a public park. He thought it useful to state that the Government Town Planner is engaged in town planning schemes for Ipoh and judging from reports and maps of what he has done for towns in Australia and elsewhere, the air space, parks and playgrounds he would like to provide Ipoh with should be far in excess of the aspirations of the writers of such letters.

21. Assessment under section 13 of "The Sanitary Boards Enactment, 1916": Mr. Cooper draws attention to the recent *Gazette* Notification announcing the imposition of the additional rate of assessment for certain areas in Ipoh and Kampar, which the Board, when consulted, did not agree to. Mr. Cooper proposes, and Mr. Physick seconds, the following resolution:

"This Board re-affirm their decision of 16th August last, namely, that this is not the time to exercise the power to impose an additional rate and that the matter be indefinitely postponed".

The resolution is carried.

22. The Board adjourn *sine die*.

IPOH,
23rd November, 1922.

A. J. STURROCK,
Chairman.

No. 7864.—SANITARY BOARD, KUALA LUMPUR.—

Minutes of an ordinary meeting of the Kuala Lumpur Sanitary Board held at the Sanitary Board Offices on Wednesday, 22nd November, 1922.

PRESENT: The Chairman (Mr. B. W. Elles), the Secretary (Mr. R. A. Boardman), the Protector of Chinese (Mr. T. W. H. Kingston), the Chief Police Officer (Mr. G. P. Cuscaden), the Architectural Assistant to Director of Public Works (Mr. L. Kesteven), the Superintendent, Revenue Surveys (Mr. F. R. Twiss), Dr. M. J. Ahern, Mr. D. Freeman, Mr. D. F. Topham, J.P., Mr. Khoo Keng Hooi, Mr. Yap Tai Chi, Dr. E. T. MacIntyre, J.P., and Haji Mohamed Taib, J.P.

ABSENT: The Executive Engineer, Town (Mr. Sydney Smith), the Health Officer (Dr. F. V. Jacques) and the Collector of Land Revenue (Mr. W. R. Boyd).

1. Minutes of last meeting are confirmed.

2. Storage of matches: The Chairman submits the draft of the proposed new by-law to replace the existing by-law 212. It is decided to bring the matter up again at the next meeting.

3. Disposal of Pudu and Simpang Tiga Police Stations: The Board favours a temporary post office at Simpang Tiga in the old police station, and thinks it would be possible to combine this with the use of the barracks temporarily for the Executive Engineer, Town's coolies. The Board understands that the Pudu Road Station is ear-marked for a Fire Brigade Station, and considers that it should be kept for that purpose.

4. Conservancy fees—1923: The Chairman reminds the Board that it was necessary to raise the conservancy fee from \$2 to \$3 for the current year in order to cover the cost of this service. He announces that, owing to economies due to the introduction of more motor vans, he is now able to inform the Board that the cost of the service for 1923 will be more than covered by a fee of \$2.50. He reads details of the estimated figure, and the Board unanimously recommends the reduction of the fee to \$2.50.

5. Visible petrol station at Foch Avenue: The Board approves the control of this station passing into the hands of Mr. Wong Teck Keat, of Ipoh.

6. Motor cycle trials: The Chairman informs the Board that the Honourable British Resident is not in favour of allowing these trials to take place, as the element of danger cannot be entirely eliminated. Mr. Khoo Keng Hooi expressed the opinion that, although the Honourable British Resident is not in favour of this kind of 'sport,' it should be encouraged by the Board, but he could not find any other member of the Board to support his view.

7. Municipal dairy: The Chairman informs the Board that the present position with regard to the dairy is that it has been recommended that the buildings and grounds should be prepared and equipped as fully as possible by Government and then let out to the most suitable applicant. It has not yet been possible to arrange this with any applicant, as the Government has not yet decided to give a contract for a year for the supply of milk to Government hospitals in Kuala Lumpur.

8. Plans:

The following are approved:

- Parsonage, Malacca Street;
- Office, Brickfields Road;
- Kitchen, 12, Kampong Attap;
- Extension, lot 18, section 65, Bukit Bintang Road;

(2) Births: During the month 163 births were notified, giving an uncorrected birth-rate of 22.96 per mille.

(3) Deaths: The total number of deaths registered as having occurred within the Sanitary Board limits was 210, giving a crude death-rate of 29.59 per mille. The number of deaths among the resident population was 144, giving a corrected death-rate of 20.29 per mille. The corrected death-rate for the corresponding month of 1921 was 24.35 per mille. There were 24 deaths of infants under the age of one year. The infantile mortality rate (deaths under one year of age per 1,000 births) was 147.24.

(4) The diseases causing the greatest number of deaths were:

Other lung diseases	15	4	Beri-beri	9	2

(5) Infectious diseases: Sixteen cases of chicken-pox, two cases of measles, three cases of cerebro-spinal meningitis and two cases of typhoid (enteric fever) were reported.

(6) The total rainfall recorded at the General Hospital, Kuala Lumpur, for the month was 97 m.m. The greatest fall for the 24 hours ending 6 p.m. was 27 m.m. on the 15th. Minutes of a Sanitary Board meeting held on December 5th, 1922, at 10 a.m.

PRESENT: Chairman, Sanitary Board (Mr. H. H. Banks), Assistant Protector of Chinese (Mr. A. B. Jordan), Health Officer (Dr. R. B. Jackson), Chief Police Officer (Mr. G. S. Magill), Executive Engineer (Mr. S. Upton), Superintendent, Revenue Surveys (Mr. E. W. Geyer), Mr. K. Browne, Mr. Wong Yick Tong, J.P., Mr. P. P'Chient, J.P., and Towkay Chai Chit Sam.

ABSENT: Collector of Land Revenue (Mr. E. B. Williams), Mr. W. H. W. Gubbins, and Tunku Hassan, J.P. Minutes of the previous meeting confirmed, copy having been circulated amongst members.

BUSINESS :

1. The Chairman reported that the sub-committee appointed by the Board to consider appeals against assessment rates for 1923 had held two meetings and considered 105 appeals affecting some 425 houses, and 28 appeals affecting vacant lands.

There was an average reduction in rentals on house property of 33 per cent. 32 per cent. Eleven appeals had been received after the 20th November. Eight of which had been handed in while sub-committee was sitting. These appeals had been considered and reduction in rates recommended by the sub-committee, who now desired to refer the question to the Board as to whether or not, the late appeals should be considered.

Mr. Wong Yick Tong, J.P., proposed that the eleven appeals be admitted, Mr. P. P'Chient, J.P., seconded, and the motion was put to the meeting and carried.

The Assistant Protector of Chinese, Health Officer, Mr. Brown, Mr. Wong Yick Tong, J.P., Mr. P. P'Chient and Towkay Chai Chit Sam being in favour, while the Chief Police Officer and the Superintendent, Revenue Surveys, voted against, the Chairman abstaining from voting.

As regards vacant lands 28 appeals affecting 140 lots had been considered and reduction granted in 87 cases. The Chairman then read a memorandum from the sub-committee, and Mr. P. P'Chient addressed the meeting at length on the question of vacant land assessment. The Chairman pointed out that the valuation committee had put up a long and carefully worked out valuation list, and that the rate of 14 per cent. to which Mr. Chient took exception had been decided on and could not be altered.

Finally Mr. Chient proposed "That in view of the present hard times, the valuation of all vacant lands in Seremban Sanitary Board area, be reduced by half in all cases where no appeals had been made". Towkay Chai Chit Sam seconded. The motion was then put to the meeting and lost, all the members voting against. Mr. Wong Yick Tong, J.P. (being a member of the valuation committee) and the Chairman abstained from voting.

The Chairman informed the Board that the revenue estimated for vacant land assessment for 1923 amounted to over \$12,000.

2. The Board considered a letter from Mr. P. P'Chient, J.R., pointing out that by an error he had been assessed on two town lots, area 4,800 square feet, whereas in actual fact there was only one unbuilt upon. Chairman reported that he had visited with Mr. Chient and that only one lot was involved. The Board approved assessment according to area 2,400 square feet.

3. Chairman submitted a letter from the Official Administrator of estate of Tuan Sheikh Abdulrahman, asking that vacant land assessment be not levied on certain valleys on the estate in which anti-malarial work had been undertaken by Government and further that a reasonable area might be allotted to certain houses on the land which were numbered and pay assessment. After discussion, the Board agreed to excise an area of ten acres from the area liable to assessment as vacant land.

4. The Board considered an application from Kok Chung Sun and others, of Broga, asking for exemption from assessment of houses 61, 62, Broga, on the grounds that the buildings were being used as a Chinese school and 37, Broga, which was used to house "Sick and dying vagrants".

The Board after discussion decided to recommend exemption of the two houses used as a school in 1923; but was unable to make any such recommendation regarding house No. 37.

5. Papers dealing with tenders for various works for the year 1923 were laid before the Board and a minute from the Honourable the British Resident read.

The Assistant Protector of Chinese addressed the Board regarding the rest-house tenderers. After a short discussion the Executive Engineer proposed that San Ah Kee, the tenderer recommended by the sub-committee, should be given the rest-house for 1923. The Chief Police Officer seconded. The motion being put to the meeting was carried unanimously. The Assistant Protector of Chinese, Mr. Wong Yick Tong, Mr. P. P'Chient as member of the sub-committee abstained from voting.

As regards the bullock and buffalo slaughter-house in 1923, the Board saw no reason why the highest tenderer, Mohamed Usop, should not be taken.

6. Chairman reported that he and the Veterinary Surgeon had considered and made recommendation regarding the supply of cattle food for 1923. The tenders received showed reduction in the 1922 prices. Board approved action taken.

7. An application from the Manager Tan Moeng Ten for permission to erect a petrol visible filling station near the motor car stand in Birch Road was considered. The Board saw no objection but decided to refer the matter to the Honourable the British Resident.

8.	The following colours were approved by the Board for painting bridges within Sanitary Board areas:	
(a)	Iron work	Black
(b)	Handrails	White
(c)	Pilasters and newels	White

9. Papers dealing with alienation of lots 1-15 and 23, Nilai village, in exchange for lots 2,041 to 2,065 were laid before the Board for their information.
